Greetings!

Top Shelf Classics (San Francisco's cornerstone dinner show group) cordially invites you, your group, associates, and friends to a sensational excursion starting with the classics of Doo-Wop, through Pop, Motown & Soul Juke Box hits. While dining, treat yourself to a concert of hard-hitting faithful renditions!

From old school 'unsung' legends to today's breakout sensations, anticipate favorites from The Drifters and The Temptations to that "Motown Philly" sound -- from Stevie and Michael to Prince and Bruno Mars ... from Billie Holiday, to Aretha - to Mary J. and Whitney! Regardless of the era, get ready for an evening of Reminiscing, Snapping, Tapping and Dancing!

Two incredible Sets!

The 1st set includes a fully staged choreographed production, with the 2nd set having everyone on the dance floor.

Add on dinner if you like for a complete evening of cocktails, dining, dancing!
Top Shelf's Juke Box - A Classic Soul Mega Experience!

We look forward to seeing you!
